EXPERIENCE

Software Developer Intern
Amazon.com

📅 July 2021 - Nowadays 📍 São Paulo - Brazil

I helped on Software Maintenance of legacy code and added new features to existing software with Clean Code in both Back-End and Front-End

Developer Intern
Panorama.Id

📅 Jan 2020 – July 2020 📍 São Paulo - Brazil

- Panorama is a small startup with 5 employees.
- Used: OpenCV, C++, Python, Computer Vision

EDUCATION

Applied Matematics to Computer Science, BA
University of São Paulo - USP

📅 2016 - Interupted 📍 Brasil

- Completed 54%.
- The course included statistics, theoretical and applied math.
- Completed several electives on different fields, including: Machine Learning, OOP, Algorithms, Graphs, Data Structures and Genetic Algorithms.

COURSES

kaggle

📅 2022 📍 Online

- Intro to SQL
- Computer Vision
- Intermediate Machine Learning
- intro to Machine Learning
- Pandas

Coursera

📅 2021 📍 Online

- Applied Machine Learning in Python
- Applied Plotting, Charting Data Representation in Python
- Introduction to Data Science in Python

LANGUAGES

Portuguese ●●●●●

English ●●●●●

German ●●●●○
B2 certification from Goethe institute

TECNOLOGIES

Python HTML/CSS SQL Pandas
Numpy matplotlib Django
OpenCv Tensorflow git SkLearn
Regex C/C++ Java

ACTIVITIES

Programming Marathon
ACM-ICPC

📅 2016 📍 Brazil

Attended on programming competition study group through 1 semester. Learning programming with problem-solving using Data Structures, Graphs, recursion and greedy algorithms. Participated on International Collage Programming Competition

Exchange Semester
Reynalds Secondary school

📅 2014 📍 Canada

Studied 1 semester abroad as a high schooler
